CALIFORNIA VEHICLE CODE (CVC) - Sections 3062 or 3072*, states in part:

Establishing or Relocating Dealerships

3062. (a) (1) Except as otherwise provided in subdivision (b), if a franchisor seeks to enter into a franchise establishing an additional motor vehicle dealership within a relevant market area where the same line-make is then represented, or seeks to relocate an existing motor vehicle dealership, the franchisor shall, in writing, first notify the board and each franchisee in that line-make in the relevant market area of the franchisor's intention to establish an additional dealership or to relocate an existing dealership within or into that market area. Within 20 days of receiving that notice or within 20 days after the end of any appeal procedure provided by the franchisor, any such franchisee may file with the board a protest to the establishing or relocating of the dealership. If, within this time a franchisee files with the board a request for additional time to file a protest, the board or its Executive Director, upon a showing of good cause, may grant an additional 10 days to file the protest. When such a protest is filed, the board shall inform the franchisor that a timely protest has been filed, that a hearing is required pursuant to Section 3066, and that the franchisor shall not establish or relocate the proposed dealership until the board has held a hearing as provided in Section 3066, nor thereafter, if the board has determined that there is good cause for not permitting the dealership. In the event of multiple protests, hearings may be consolidated to expedite the disposition of the issue.

(b) Subdivision (a) does not apply to either of the following:

(1) The relocation of an existing dealership to any location that is both within the same city as, and is within one mile from, the existing dealership location.

(2) The establishment at any location that is both within the same city as, and is within one-quarter mile from, the location of a dealership of the same line-make that has been out of operation for less than 90 days.

*Section 3072, pertaining to Recreational Vehicles, contains virtually identical provisions, however, there are additional exemptions not listed above. Recreational Vehicle Manufacturers are encouraged to review the entire California Vehicle Code Section.
